Futsal is a scaled down version of outdoor soccer played indoors. It is a small sided game (5v5) played on a small field (basketball court size) with a smaller low bounce ball. The ball forces a player to use their foot skills rather than the ball's bounce to propel it. Futsal is played with touchline boundaries. There are no walls in play. The goal is to refine and maintain player's control skills and touch.

Coaching: We need the support of parents to run the league. Please consider coaching a team.
